

# Corporate & Business Benefits

Thank you for considering a gift to the ECC's Building and Supporting Community Capital Campaign. We know your contribution reflects your commitment and belief in the importance of building safe and inclusive spaces and offering programs and services that support the most marginalized in our community.

With your support, you will be welcomed as a valued partner in our work. We will do all we can to ensure that your contribution also benefits you, your employees, your clients, and the greater community. Through our Corporate and Business Recognition program, we provide a wide array of ways to have your support recognized, helping you strengthen your brand and network.

Gifts can be made at once or pledged up to 5 years. Benefits are offered through your designated pledge period up to December 2026. The Equality Community Center is a 501(c)(3) nonprofit organization and contributions are tax deductible to the extent allowed by law.
